

There are two different tag options. The orange tag would look cute tied to a pair of flip-flops. The pink tag IS a flip-flop. :) So it would look cute tied to something she can take to the salon like a bottle of water or a magazine.

Directions for flip-flop:

- Cut out flip-flop
- Using a hole punch, cut out the circles.
- Take two pieces of ribbon.
- Insert ends of the ribbon into each hole, like a flip flop.
- Tape or glue the ribbon in place on back.
- On top of flip-flop, thread loose ends of ribbon to opposite side circles. Tie knot on undersides of flip-flop.
